➡ Continue carefully on this road for +30km (R516) ➡ You will eventually pass Mabalangwe RCI Resort entrance and then also the Mabula Petrol Station/Drank winkel. ➡ After the Petrol station you will approach the **Rooiberg Turn-off** and there will also be 2 faded billboards advertising Mabula and Zebula. Turn **RIGHT** on this road.

➡ Continuing on this newly built tar road you will approach a small security check point (only operational at night), continue through until you reach a clear Stop-intersection; continue **STRAIGHT** over the stop onto a gravel road to Rooiberg. (**Do not turn right to Mabula Lodge/Zebula**)

➡ Continue on this gravel road for 7.7km. On the **RIGHT** side of the road the MOKAIKAI Gate will be clearly visible – it is also the only visitor entrance gate on this road to Mabula Private Game Reserve.

➡ At the gate you can give your names and destination (ArendSig or NakaSanga3) and the guard will open the gate. ➡ When entering the Reserve turn **RIGHT** following the sign to NAKASANGA (this is the area in which the villa is situated). ➡ After 5km there will be a fork in the road. Turn **LEFT** following the sign to Nakasanga. You will drive 2km from here up a hill. As you drive you will reach electricity poles which you will follow up the hill. While driving up the hill the road will make a few sharp right turns. Continue to follow the road. ➡ At the top of the hill follow the sign **RIGHT** to Nakasanga, then follow the signs to number 3. When you see a small bright red wall with a number 3 (three) next to the path you will know you have arrived.

➡ Park your vehicle under the green netted spaces to protect it from the animals! Frankie will be there to assist you.

Thank you and now only continue to the villa and ENJOY!!!
